Our programme states that things might be changed slightly during the convention.

As last years street ministry was such a blessing and success, we believe that we should do this again this year in Athlone.

It is bringing what we have, onto the streets, which has to be following in our Lords footsteps and what He would have us to do.

However we realise that not everyone would be able to be part involved in this for health reasons while others might feel uncomfortable to be asked to partake, so for those who would prefer to stay in the hotel for a meeting we will arrange one as an alternative

**Admittance is free to all of our meetings!**

**HIS BANNER OVER US IS LOVE**
